AIRBUS APPROVAL FOR INDESTRUCTIBLE PAINT LTD

Birmingham aerospace coatings manufacturer, Indestructible Paint Ltd., has recently received a certificate of approval for its quality management system from Airbus UK Ltd., based at Filton, Bristol and part of EADS.

The certificate is in recognition of the quality of the company's products and its record as a supplier of approved coatings to manufacturers of components, including engines, for Airbus airliners.

In addition, Indestructible Paint supplies other companies belonging to the EADS group including Eurocopter and Eurofighter.

Examples of Indestructible Paint coatings used in these applications include advanced materials utilising nano technology, high (700°C) heat resistant inorganic materials and high performance low environmental impact epoxy paints.

Further information regarding high performance coatings form Indestructible Paint Ltd. 19-25 Pentos Drive, Sparkhill, Birmingham B11 3TA. Telephone 44(0)121 702 2485. sales@indestructible.co.uk
