

# Health & Safety Policy

Issue 1  
HS02

The policy of Indestructible Paint is to ensure that the risks to health & safety of its staff, customers, subcontractors and the general public are minimised by:

- **Assessment of potential risks and implementation of risk reduction actions**
- **Operating safe working methods which minimise risks to personal health & safety**
- **Provision and maintenance of appropriate equipment**
- **Provision of appropriate PPE**
- **Ensuring that staff are trained in appropriate use of equipment**
- **Providing information to staff and contactors that reflects the current health & safety legislation and good practice**
- **Managing customers and visitors whilst on our site**

The company will comply with the Health & Safety at Work Act 1974 and will observe all subsequent legislative measures, to promote a high priority to the continuing establishment of a healthy and safe working environment.

The company will discuss and exchange ideas relating to Health & Safety at work with employees and in addition, will operate an organisation that will maintain adequate communications and action in matters affecting the occupational welfare of their employees.

The company expects its employees/contractors on their part to recognise that they have a duty to take reasonable precautions to avoid injury to themselves, their colleagues or the general public.
