

## ENVIRONMENTAL POLICY

**Indestructible Paint is committed to providing customer satisfaction by offering a cost effective solution for the supply of specialist engineered surface coatings.**

**We are concerned for the environment and work to ensure that the impacts from our manufacturing facility, delivery service, and from the use of our products, are minimised.**

**We are committed to ensuring that our business and its products are sustainable.**

**We recognise global environmental legislation, including REACH in the EU, as a serious influence on our business.**

**We work closely with all stakeholders and external agencies to monitor our compliance with all appropriate legislation.**

**We are constantly seeking ways to reduce pollution, avoid the creation of waste and mitigate the risk of negative effects on the environment.**

**We support the personal development of our employees to ensure that we reflect best practice.**

**We operate systems that meet the requirements of ISO14001 retaining external approval to this standard.**

All staff are aware of the processes operated within the company, and are aware of their responsibilities to follow defined procedures and to report any deviation or anomalies.

Staff are encouraged to provide input to the development and improvement of systems.

The Management of the company establish business objectives which support the implementation of this policy. These objectives are regularly reviewed and revised as necessary with the aim of continual improvement.
